§9–607.

(a) Each district is a public corporate body that exercises public and essential government functions, for the public health and welfare.

(b) As to any project, each district may do any of the following:

- (1) Acquire the project.
- (2) Construct the project.
- (3) Hold the project.
- (4) Improve the project.
- (5) Lease the project as a lessee or lessor.
- (6) Maintain the project.
- (7) Operate the project.
- (8) Own the project.
- (9) Reconstruct the project.
- (10) Repair the project.
